The record date for determining shares entitled to vote has been fixed at the close of business on May 18, 2011. On such date there were outstanding 2,237,371 shares of common stock of the Company, \$.20 par value ("Common Stock"), entitled to one vote each.

The presence, in person or by properly executed proxy, of the holders of shares of Common Stock entitled to cast a majority of the votes entitled to be cast by the holders of all outstanding shares of Common Stock is necessary to constitute a quorum. Ratification of the appointment of Freed Maxick & Battaglia, CPAs, PC as the Company's independent

registered public accounting firm for the 2011 fiscal year requires the affirmative vote of a majority of the votes cast on the proposal. Pursuant to SEC rules, shareholder proposals must have been received by April 20, 2011, which date is 45 days before the date (June 3) on which the Company mailed its proxy materials for last year's annual meeting, to be considered at the 2011 Annual Meeting. Shares of Common Stock represented by a properly signed, dated and returned proxy will be treated as present at the meeting for the purposes of determining a quorum. Proxies relating to "street name" shares of Common Stock that are voted by brokers will be counted as shares of Common Stock (i) present for purposes of determining the presence of a quorum and (ii) as having voted in accordance with the directions and statements on the form of proxy.

The Board has (i) determined that Dr. Duerig and Mr. Hedges are Independent Directors pursuant to the listing standards of the NYSE Amex; and (ii) designated Dr. Duerig as the Company's "Audit Committee financial expert".

The Company's full Board of Directors performs the functions of all other committees and in lieu thereof as permitted by the Company's By-Laws and the current NYSE Amex listing standards. The Board of Directors does not have a standing nominating or compensation committee. Pursuant to Board resolutions, the full Board of Directors approves/ratifies all Director nominees after they are determined by the Independent Directors. See "Director Nominating Process" on page 7. Additionally, the Independent Directors determine the compensation of the Chief Executive Officer and all Executive Officers and such determinations are subsequently submitted to the full Board of Directors for approval/ratification. During the fiscal year ended December 31, 2010, the Audit Committee met 9 times and the Board of Directors met 11 times. No Director attended less than 100% of the meetings held. Each Director is expected to attend the Annual Meeting of Shareholders. In 2010, the Annual Meeting of Shareholders was attended by all Directors.

AUDIT COMMITTEE

Dr. William H. Duerig, Chairman

Donald W. Hedges, Esq.

Leadership Structure

Dr. Nicholas D. Trbovich is the Company's Chairman of the Board and Chief Executive Officer. The Company believes that having one person hold the roles of Chairman of the Board and Chief Executive Officer is the most effective way at this time to organize the leadership structure of the Board of Directors. Having one person hold the roles of Chairman of the Board and Chief Executive Officer promotes unified leadership and direction for the Board and executive management and it allows for a single and clear focus for the chain of command to execute the Company's strategic initiatives and business plans. Because Dr. Trbovich is primarily responsible for managing the Company's day-to-day operations and strategic plan implementations, he is in the best position to chair meetings of the Board of Directors where key business and strategic issues are discussed. The Board believes that the combined role of Chairman of the Board and Chief Executive Officer coupled with the existence of the Independent Directors is the appropriate leadership structure for the Board of Directors at this time. It provides sufficient independent oversight while avoiding unnecessary confusion regarding the Board's oversight responsibilities and the day-to-day management of the Company's business operations and strategic plan implementations. The Independent Directors periodically review this structure to assess its effectiveness on a continuing basis.

Board Oversight of Risk Management

The Board of Directors oversees the Company's risk management process. This oversight is primarily accomplished through the Board's committees and management's reporting processes. The Company does not have a formal risk committee; however, the Audit Committee focuses on risk related to accounting, internal controls and financial and tax reporting. The Audit Committee also assesses economic and business risks and monitors compliance with ethical standards. The Independent Directors identify and oversee risks associated with the Company's executive compensation policies and practices, Director independence, related party transactions and the implementation of corporate governance policies.

Directors' Compensation

Under the Company's compensation arrangements, non-employee Directors are paid a yearly Director's fee of \$22,500 plus a per meeting fee of \$1,000 and reimbursement of actual expenses for attendance at Board meetings. Code of Ethics

The Company has adopted a Code of Ethics and Business Conduct that applies to all Directors, Officers and employees of the Company as required by the listing standards of the NYSE Amex. The Code is available on the Company's website at www.servotronics.com and the Company intends to disclose on this website any amendment to the Code. Waivers under the Code, if any, will be disclosed under the rules of the SEC and the NYSE Amex.

Director Nominating Process

The determination of the individuals to be nominated for the Board of Directors is made by the Independent Directors. This determination is then subsequently submitted to the full Board of Directors for approval/ratification. The Board has determined that Dr. Duerig and Mr. Hedges are independent under the NYSE Amex listing standards.

The Board has not adopted specific minimum criteria for director nominees. Nominees are identified by first evaluating the current members of the Board willing to continue in service. Current members of the Board with skills and experience that are relevant to the Company's business and who are willing to continue in service are considered for re-nomination. If any member of the Board does not wish to continue in service, the Board first considers the appropriateness of the size of the Board and then considers factors that it deems are in the best interests of the Company and its shareholders in identifying and evaluating a new nominee. Consistent with the concept of diversity, the Company recognizes the value of having a Board that encompasses a broad range of skills, expertise, contacts, industry knowledge and diversity of opinion.

The Board will consider Director nominees from any reasonable source, including nominees suggested by incumbent Board Members and Management as well as Shareholder recommendations tendered in accordance with the Company's advance notice provisions. The Company does not currently employ an executive search firm, or pay a fee to any other third party, to locate qualified candidates for director positions.

Shareholder Communications with the Board of Directors

Shareholders who wish to contact the Board of Directors or any of its members may do so by addressing their written correspondence to Board of Directors, 1110 Maple Street, P.O. Box 300, Elma, New York 14059. Correspondence directed to an individual Board member will be referred, if appropriate, to that member. Certain Relationships and Related Transactions

Nicholas D. Trbovich, Jr., President and Chief Operating Officer of the Company, is an inventor or co-inventor of certain issued patents and patent pending applications that are used in the business of a subsidiary of the Company. The patents have been and are currently used by the subject subsidiary on a royalty-free basis with Mr. Trbovich, Jr.'s consent.

On November 3, 2009, the Company entered into a capital lease with a related party of the Company for certain equipment to be used in the expansion of the Company's capabilities and product lines. Monthly payments of \$7,500 which include an imputed fixed interest rate of 2.00% commenced November 3, 2009 and will continue through the fourth quarter of 2016. At December 31, 2010 the present value of the minimal lease payment is approximately \$495,000 (after subtracting approximately \$30,000 of imputed interest). Aggregate payments required under the capital lease subsequent to December 31, 2010 are as follows: years 2011 through 2015 \$90,000 annually and thereafter \$75,000. The Company also entered into a real property lease agreement with the same related party, which provides for annual rental of \$60,000. In addition, in the event the Company is successful in obtaining certain tax and/or other incentives from the state the entity operates in, the Company will be required to purchase the building at the appraised value of \$506,000. The Company did not exercise its purchase option, but the lessor and the Company extended the lease including purchase option for another year. Additionally, in the event that the Company purchases the building, there is an arrangement payable to the related party, providing a threshold in annual earnings is reached by the new subsidiary, which will result in a percentage payment which could be as low as Zero dollars to a maximum total in the aggregate of \$600,000 which is non-recurring. These transactions are related party transactions because the wife of the Company's President/COO is the sole shareholder of the company that is leasing/selling the assets.

Purchases for inventory from the related party amounted to \$56,000 and \$15,000 during 2010 and 2009 respectively.

Proposed transactions between the Company and a related person are submitted to the Independent Directors which compose the Audit Committee for their determinations. In making its determinations, the Audit Committee (i.e., Independent Directors) consider, among other factors, whether the proposed transaction is in the Company's best interest and is on terms no less favorable to the Company than terms generally available from an unaffiliated third-party under the same or similar circumstances and the extent of the related person's interest in the transaction. Also, the Independent Directors (i.e., Audit Committee) may, at their discretion, request an independent appraisal if an independent appraisal has not already been provided. A related party is excluded from participating in the determinations of the Audit Committee.

**PROPOSAL 2: RATIFICATION OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

Freed Maxick & Battaglia, CPAs, PC (FM&B) has been selected by the Board of Directors as the independent public accountants for the Company's current fiscal year. A representative of FM&B is expected to be present at the meeting with the opportunity to make a statement if he desires to do so and will be available to respond to appropriate questions of shareholders.

At the Annual Meeting, the shareholders will be asked to ratify the selection of FM&B as the Company's independent registered public accounting firm. Pursuant to the rules and regulations of the Securities and Exchange Commission, the Audit Committee has the direct responsibility to appoint, retain, fix the compensation and oversee the work of the Company's independent registered public accounting firm. In the event that the shareholders fail to ratify the selection, it will be considered as a direction to the Board of Directors and the Audit Committee to consider the selection of a different firm. Even if the selection is ratified, the Audit Committee in its discretion may select a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and our shareholders.

The affirmative vote of a majority of the votes cast on the proposal, assuming a quorum is present at the Annual Meeting, is required to ratify the appointment of FM&B. The Directors of the Company unanimously recommend a vote "FOR" the ratification of FM&B as the Company's independent registered public accounting firm for 2011. Unless otherwise instructed, proxies will be voted "FOR" ratification of the appointment of FM&B.
