Re: **Proxy Contest**

To Our Valued Employees,

We are writing to explain to you some of the basic voting mechanics you should be aware of for this year's Annual Meeting of Shareholders taking place on Friday, June 9, 2023. As you are likely aware, we are facing a proxy contest against an activist investor, Star Equity, which is seeking to replace two members of Servotronics' Board of Directors. Both the Company and Star Equity are actively soliciting votes from Servotronics' shareholders, including our employees who are also investors and/or participants in our Employee Stock Ownership Plan (ESOP). The Company is soliciting votes in support of our existing six members of the Servotronics Board using a BLUE universal proxy card, and Star Equity is soliciting votes for its two nominees using its universal proxy card (referred to as a "white proxy card").

You May Receive Multiple Solicitations

Unlike in prior years, due to the proxy contest, you may receive – or may have already received – mailed proxy solicitation materials, including proxy cards, emails from your broker, and phone calls from multiple proxy solicitors representing the Company or Star Equity directly soliciting your votes. Your Board recommends that you only vote your BLUE proxy card to support your Board and management team. We recommend that you do not engage with anyone asking you to vote on any white proxy card sent to you by Star Equity.

How to Support Management

Please support your Board and management team by voting "FOR" all of the Board's nominees on the BLUE proxy card that has been sent out by Servotronics. Your Board does not endorse either of Star Equity's two nominees and strongly urges you to discard and NOT sign or return any white proxy card sent to you by Star Equity or InvestorCom LLC, its proxy solicitor. Voting to "WITHHOLD" your vote with respect to the nominees on any white proxy card that is circulated by or on behalf of Star Equity is not the same as voting for the Company's director nominees, because a vote to "WITHHOLD" with respect to any of the nominees on a white proxy card will revoke any previous proxy submitted by you on the BLUE proxy card. Only the latest-dated proxy card that you vote on will count. If you have already submitted a white proxy card, or if you are unsure of how you have previously voted, you can vote again on the Company's BLUE proxy card.

How to Vote

Voting is easy by Internet or mail, and early voting helps the Company. We've provided instructions on how to vote for Servotronics on the BLUE proxy card in our proxy statement and in our solicitation materials. Please be on the lookout for these communications from us as we keep you informed throughout this annual meeting period. If you have any questions, do not hesitate to reach out to me or the Company's proxy solicitors, Georgeson LLC, toll-free at 1 (866)-767-8867.

We appreciate your continued focus and thank you for your support and urge you all to get out there and vote FOR ALL Servotronics directors on the BLUE proxy card as soon as possible!

Regards,

William F. Farrell, Jr.
Chief Executive Officer
